CORE CHALLENGE
It's Experiential Education!

CORE CHALLENGE's Team of Professionals combine experiential education with Activities and Games designed for your Agency's needs.

Our games include:

- * Blackmail
- * Run to the Rescue!
- * Victim Schmicitim
- * Self Will Run Riot
- * Identity Crisis
- * Mi Casa Es Su Casa

First we start with Icebreaker Games and Team Building Challenges.

Next you participate in Selected Designer Activities guaranteed to *Stimulate* growth.

At the End of each event we will debrief, discover and relate the experiences as to how they affect all aspects of your work, relationships and personal development.

Treat yourself to a fun day of active participation.

- * Enjoy unfamiliar, unpredictable activities
- * Problem solve in an experiential setting
- * Break *free* from limiting beliefs

YOUR AGENCY PROFITS:

- *Your staff learns new ways of communicating. They can discover what "games" they have been playing on each other and improve their professional attitude.
- *Your staff plays these games with the clients. They will become aware of leadership roles of the clients, their ethics, teambuilding skills and communication levels.
- *The clients play these games among themselves. They can learn to communicate and face challenges.
